

PRIVACY ASSURANCE SERVICES

Valencia IIP: our name and our focus is Information & Infrastructure Protection. What makes us different is our holistic, integrated perspective.

Valencia IPP offers a comprehensive range of privacy services to protect your organization's information and infrastructure. Our extensive expertise comes from our experience in serving healthcare, public and private sector clients minimize their privacy risks.

Valencia IIP can:

- ◆ Create comprehensive privacy programs to address privacy governance, policy development, operations integration as well as training & knowledge transfer needs
- ◆ Advise on cross-border issues involving personal information;
- ◆ Provides privacy program assessment, implementation assistance and/or audit support;
- ◆ Support procurement/cloud adoption strategies by helping your organization understand what to ask service providers about their privacy and security posture;
- ◆ Conduct compliance audits to identify gaps in privacy policy or process;
- ◆ Assist M&A due diligence exercises to benchmark privacy management in target companies;
- ◆ Perform privacy impact assessments to identify project/program/initiative privacy risks.
