

VISHING TIPS & TRICKS

- ✓ **Don't trust** caller ID. It can be spoofed.
- ✓ **Never share** passwords, MFA codes, or sensitive info over the phone.
- ✓ Let unknown callers speak first and **don't volunteer information**.
- ✓ **Be cautious** of urgency or threats.
- ✓ **Hang up and call back** using a verified number if something feels off.
- ✓ **Report suspicious** calls to your security or IT team.
