Staying CPCSC Compliant

Valencia believes in an empowered and safe digital world for everyone. This goal is the guiding principle of what we do.

Achieving CPCSC certification is only the first step. Maintaining compliance requires continuous oversight, monitoring, and adaptation as your environment changes.

We help organizations operate and sustain CPCSC compliance, ensuring controls remain effective, evidence stays up to date, and your organization is always audit-ready.

OUR COMPLIANCE SERVICES

Ongoing Control Management

Maintain and monitor security controls across identity, endpoints, networks, and data to ensure continued alignment with CPCSC requirements.

Monitoring & Reporting

Track compliance posture, identify drift, and provide regular reporting to demonstrate ongoing adherence.

Evidence & Documentation

Keep policies, procedures, and audit evidence current, organized, and ready for reassessment or review.

Advisory & Improvement

Provide ongoing guidance as requirements evolve, your environment changes, or new risks emerge.

WHO WE HELP

Ideal for organizations that:

- Have achieved or are close to CPCSC certification
- Need to maintain compliance over time with limited internal resources
- Want continuous assurance that controls remain effective
- Require audit readiness without last-minute effort
